scenes of some of the
interventions to be
discussed.

ETHIOPIA —
Which let us build a
wonderful military

out, so the Russians
now use it.

let the Russians build
a wonderful military
base, then kicked
them out, so we now
use it.

ZAIRE — Where the

somebody we thought
but who isn't, so
things are terrible.

ZIMBABWE —
Where the U.S. lost
a war to somebody
Russian, but who
isn't, so things
are okay.

**CONGO
REPUBLIC —**
Which used to be ours
but became Russian
and things are okay.

ANGOLA — Where
the U.S. intervened in
a tribal war and made
enemies.
